

**Join our “Classy Classic Can Program”! A wonderful advertising opportunity and a great way to help your town look better!**

The Baldwin Chamber of Commerce in partnership with Sanitary District #2 is proud to implement this project which will help keep our town clean and beautiful!

The cans are hunter green and made of stainless steel. Sanitary District #2 and the sponsoring merchant will share the cost of the can. The sponsoring merchant will pay for signage. Baldwin Chamber of Commerce and Sanitary District #2 logos will also appear on the signs. \*

This is an excellent opportunity to gain a very high level of exposure for the name of your business or organization. We estimate that your can will be in place for a minimum of five years. Can and signage placement will be determined by Sanitary District #2. Your can will be placed in Baldwin unless otherwise indicated.

-----

YES, I WANT TO SPONSOR A “CLASSY CLASSIC CAN” FOR BALDWIN

Enclosed is my check made out to the Baldwin Chamber of Commerce in the amount of **\$350.00** for each classic can with *one* sign *or* **\$400.00** for each classic can with signage on sidewalk *and* street sides.

Name \_\_\_\_\_
